2007 Adult Leader Role What are we asking of you?

Welcome to YouthWorks! We appreciate the sacrifices you have made to be here. Your role as an Adult Leader is very important this week. Please join us in making this a life-changing experience for your students by being a/an:

Example of Christ – May all that you do be done with the mind of Christ. Let your attitude, actions, and speech glorify God. Lead your students by example.

Safety Promoter - Safety is top priority. Help us keep your students safe. Make sure your group is staying within the site boundaries and that everyone is following the “Rule of Three” at all times. Dehydration is a serious danger; remind students to take breaks and drink plenty of water throughout the day.

Servant Leader - Look for opportunities to serve each other, the students and this community. You may be asked to do something that is out of your comfort zone. Be flexible and approach every task with a willing heart.

Encourager - Ministry sites are designed to be age appropriate. Encourage your students to do the work and look for ways to serve alongside them. Help students understand the importance and significance of serving others.

Motivator - Get students excited about serving! Be positive. Help them be involved and stay engaged at the ministry sites. Please don't leave the mission sites early; our community friends are counting on our help.

Activator - Rally the “troops” by helping everyone to be on time for meals, leaving for ministry sites and activities, lights out, etc.

Processor – Take every opportunity to engage your students in conversation about what they are observing and learning.

Communicator –Be proactive about communicating questions and concerns with the YouthWorks staff. Attend all Adult Leader meetings (this is when details and info about upcoming activities will be given). Work with the Site Director to make the ministry days as effective as possible.

Team Player – Respect the people you are working alongside. Work together with other Adult Leaders. Handle conflict respectfully. Be conscientious of the other groups at the mission site. You may be on site with groups that are from a different denomination than you, set an example by exhibiting respect for the diverse beliefs and faith backgrounds of others.

Upholder – All students signed a Youth Covenant. Please do your part in making sure students are upholding these expectations and are conducting themselves in a way that glorifies God.

Please sign below acknowledging that you have read the Youth Covenant and agree to help hold your students accountable to the listed expectations.

Thank you for taking this week to invest in your students and the community.
We look forward to serving with you!
